THE SMALL RURAL TRIBAL BODY-WORN CAMERA PROGRAM NEWSLETTER

VOLUME 1

ISSUE 15

NOVEMBER 01, 2022

## Webinars! Webinars! Webinars!

One of the major grant requirements for the Small, Rural, and Tribal Body-Worn Camera program is to watch the videos or review the PowerPoint presentations for Webinars 1-5. Each webinar is 30 minutes in length and are posted at: [www.srtbwc.com/Webinars](http://www.srtbwc.com/Webinars)

After you have reviewed the webinars, please complete the certification survey [here](#) to let us know you have met this requirement.

### Webinar 1. Welcome Webinar

SRTBWC Welcome Webinar includes a brief description of the SRT BWC program and reviews the basic grant requirements such as the initial grant paperwork, reimbursements, reporting, and the Policy Wizard.

### Webinar 2. The First P: Policy Review

Your BWC policy is essential in setting guidelines for your officers and deputies. A BWC policy must be submitted and reviewed by us. This webinar includes a brief description of BWC policy and introduces the Policy Wizard.

### Webinar 3. The Second P: Getting Paid

Once your contract is signed, you will submit invoices to us to get reimbursed. This webinar discusses the process for getting paid, including – signing your contract, signing up for a direct wire transfer, submitting your invoice with supporting documentation, and obtaining funds.

### Webinar 4. The Third P: Performance Measures

Full implementation of your BWC program includes policy development, training, deployment of your cameras, and police activity. We have created a Performance Portal that requests information from you about these things.

### Webinar 5. Making the Match

A one-to-one match is required for your grant. The match can be cash-based or in-kind. Learn about how to calculate the match and what is meant by ‘in-kind’. Your match does not have to be hard cash. You can use the time spent on administering your grant, training hours, or other measures.

## Grants Administration

Policy certificates and contracts continue to be sent to grantees. We are reaching out to resolve contract questions and resolve policy process issues so please look for our emails.

We are pleased to announce that grantees are receiving their SRT award funds! **At this point in time, we have issued over \$750,000 of reimbursements to support over 500 body-worn cameras with SRT funds.** We wire funds to grantees on a bi-monthly basis. Please make sure when you make requests for payments that you include documentation – correctly dated invoices and appropriate line items. Need help with submitting your payment request in the SRT “Getting Paid” portal? Feel free to reach out to our team at [info@srtbwc.com](mailto:info@srtbwc.com) or call 888-235-0565.
